O Lord Jesus, forgive us our sins, save us from the fires of Hell; lead all souls to Heaven, especially those in most need of thy mercy. Amen.

Hail Holy Queen, Mother of Mercy. Hail, our life, our sweetness and our hope. To thee do we cry, poor banished children of Eve. To thee do we send up our sighs, mourning and weeping in this vale of tears.

Turn then, most gracious Advocate, thine eyes of mercy towards us. And after this, our exile, show unto us the Blessed Fruit of thy womb, Jesus.

O clement, O loving, O sweet Virgin Mary. Pray for us O holy Mother of God, That we may be made worthy of the promises of Christ. Amen

O God, whose only-begotten Son by his life, death and resurrection has purchased for us the rewards of eternal life; grant we beseech thee that, by meditating upon these mysteries of the most holy Rosary of the Blessed Virgin Mary, we may imitate what they contain and obtain thy promises, through the same Christ our Lord Amen.

In the name of the Father, and of the Son, and of the Holy Spirit. Amen.

*The Five  
Joyful  
Mysteries*

In the Name of the Father, and of the Son, and of the Holy Spirit. Amen.

I believe in God, the Father almighty, Maker of Heaven and earth; and in Jesus Christ, his only Son, our Lord; who was conceived by the Holy Ghost, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, dead, and buried. He descended into hell; the third day he rose again from the dead; he ascended into heaven, and sitteth on the right hand of God, the Father almighty; from thence he shall come to judge the quick and the dead. I believe in the Holy Ghost, the Holy Catholic Church, the communion of saints, the forgiveness of sins, the resurrection of the body, and the life everlasting.

**Our Father**, who art in heaven, hallowed be thy name; thy kingdom come; thy will be done, on earth as it is in heaven.  
**Give us this day our daily bread; and forgive us our trespasses, as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil.**
